82-04-01-02. Employer payment of teachers' assessments.
Section 414(h) of the Internal Revenue Code of 1986, as amended, allows the employer to pay its employees' contributions to a retirement plan. A participating employer that elects to pay the teachers' assessments may reduce the teachers' current salaries or offset future salary increases by an amount equal to the teachers' assessments paid by the employer. Employer payment of teachers' assessments to the fund is allowed only if the following conditions are satisfied:

1. The participating employer must specify that the contributions are being paid by the employer in lieu of assessments paid by the teacher.
2. Teachers must not have the option of choosing to receive the contributed amounts directly instead of having them paid by the participating employer to the retirement fund.
3. All teachers of a participating employer must be covered by the plan for employer payment of teachers' assessments.
4. All teachers covered under such a plan must be treated equally.
5. The participating employer's plan to pay teachers' assessments must comply with the fund's "plan for employer payment of member assessments to the fund" or other instructions prepared by the fund.

6. The participating employer's contributions paid to the fund must equal assessments paid by the teacher plus the assessments paid by the employer on behalf of the teacher.
7. Salaries, assessments, and contributions paid by the participating employer must be certified by the disbursing official on the required fund reports.
8. Participating employers implementing the plan must report the payment of teachers' assessments to the fund on forms provided by the fund. The employer payment plan will remain in effect until a notice of cancellation is filed with the fund.

History: Effective September 1, 1990.

82-04-01-04. Rollover contributions permitted for service purchases. Teachers are permitted to roll over or transfer to the fund any tax-deferred moneys from other eligible retirement plans that meet the requirements of IRC section 402(c) to repurchase refunded service credit and to purchase additional service credit.

The amount rolled over or transferred to TFFR cannot exceed the cost of the credit to be purchased. The transferring trustee or custodian and the teacher must complete authorization forms provided by the fund prior to transfer or rollover. Copies of the original distribution paperwork must be submitted with rollover funds received from a member.
